**Our sponsoring organization is “Heart to Honduras. HTH was founded in 1988 and bases its mission statement on Matthew 25:31**

“I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you invited me in, I needed clothing and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me... I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.”

**Honduras is located in Central America. Its capital city is Tegucigalpa and is home to some 1.25 million people. Honduras has historically struggled with a weak economy where most of its citizens live in poverty. In 1998 Hurricane Mitch devastated Central America causing over six billion dollars in damage. It destroyed the fragile economy causing a rapid raise in exchange rates.**

**The current per capita yearly income in Honduras is \$1500, a number that has seen little change in the past decade with 63% of the population living in poverty.**

**Heart to Honduras seeks to serve the needs of the people of Central America through service teams which provide: Healing for the Hurting, Clothing for the Naked, Food for the Hungry, Housing for the Homeless and Hope for the Hopeless. We hope that you can be a part of this wonderful ministry through a mission team experience with us.**
