Join Us As We Pray For:

Our Heart

Read 1 Peter 3:13-17. We get our paychecks from the company that hired us, working under a particular boss. In reality, God is the true Boss of our lives and our work just a pipeline through which He gives us money to live on. What if we started to see our places of employment as a mission field? A place where we can minister to others by simply being a friend. And as this Bible passage says, there we can revere Christ as Lord of our life and always be prepared to share in a gentle and respectful way, with anyone who asks, the reason for the hope that we have.
