Lord's Prayer Conclusion (Matthew 6:5-13)

## QUESTIONS FOR SMALL GROUP DISCUSSION AND PERSONAL REFLECTION:

1. We are finishing a series on prayer, specifically the Lord's Prayer taught by Jesus. What do you find most comforting about prayer? What do you find challenging about prayer?
2. Pastor Steve's message said that prayer both reflects and forms the desires of our hearts. Think about how you pray. What do you think your prayers reflect about the things on your heart? How do you think your prayers are forming you?
3. Read Matthew 6:9-13. This prayer reflects Jesus' priorities in prayer. What are those priorities? How does praying this prayer (re)form our own - and your own - priorities and desires?
4. As you take time to reflect on this series, and this week's concluding message, what do you think God most wants you to learn or remember from this study of the Lord's Prayer?
