Living Water (John 7:37-52)

QUESTIONS FOR SMALL GROUP DISCUSSION AND PERSONAL REFLECTION:

1. Reread John 7:37-52. Jesus caused division between people who believed him and people who rejected him. Why do you think he caused such strong reactions?
2. In the sermon this week we learned about traits we might share with the Pharisees who said "no" to Jesus. One trait was the temptation to care too much about outside appearances. How or where in your life do you experience this temptation? How does our culture encourage this obsession with image-management? Why does this draw us away from Jesus?
3. The Pharisees also got tripped up by "categorizing" people. (He would know "what kind of woman she is (Luke 7:39)." Or He eats with "sinners.") Is this a struggle for you too? What's the understandable reason we do this? What's the danger?
4. The Pharisees would often have been regarded as good, religious people. It's easy to be one. All in all, what's your biggest Pharisaical risk of missing Jesus? What most helps you avoid the trap?
