Sacrifice (Leviticus 27:30-34)

## QUESTIONS FOR SMALL GROUP DISCUSSION AND PERSONAL REFLECTION:

1. When was the first time you learned about the Biblical idea of tithing? What was the context? (It's ok if it was this week!)
2. What's something about the Old Testament practice of tithing that you learned this week? (Leviticus 27:30, Numbers 18:21-29, and Deuteronomy 14:22-29 are the key passages in case you'd like to review.)
3. Read Matthew 23:23-24. What do these words teach us about Jesus' view of tithing?
4. What do you think God wants you to learn or do in response to these Biblical messages?
